

Healthcare / Nurses Tunics

Professional Specialist Male Tunic

Smart male tunics in executive stripes to provide identity and a look for senior or specialist staff. Contrast collar edge for role or brand differentiation. Action back pleats and side vents allow for ease of movement alongside multiple pockets, two with waterproof lining, to create a functional and comfortable healthcare tunic.

Key features

- Square collar with contrast binding
- One waterproof lined chest pocket
- Two hip pockets, one with waterproof lined inner pocket
- Open ended zip front fastening in line with infection control guidelines
- Double action back pleats for improved ease of movement
